

## Weekly Challenges

## Home-Learning Ideas Marking Day: Thursdays

We encourage you to choose at least 6 activities over the full term. It is always fantastic to see the creative ideas you have and the ways you extend your learning at home. Please record this in your home-learning Curriculum Enrichment book provided. If it's a model or something large perhaps, take a photo and stick this in. Then tell me all about it.

Hand in Day: Thursdays

### Reading challenge

- Read your school reading book at least 3 times a week.
- Record your reading on the Boom Read app

**Make** houses for the 3 little pigs.

**Draw** a picture of your favourite animal. Challenge: Draw the animal in its habitat.

### Discover

Learn about a different country with your grown-up. You might want to learn some foreign words or make a meal from that place.

**Explore** your family history. Can you find any photographs of your relatives from the past? Can you ask them how things were different when they were little?

### Spelling challenges

Phonics games are accessible on the Spelling Shed app. You might want to record how you get on in your home learning book.

**Create** a mud pie. What ingredients will you add to it?

**Make** a superhero mask. What special power will you have?

**Build** a den. What materials will you use? What will you pretend it is?

**Research**  
Plant some seeds like Jack and see how they grow. Look for signs of Spring as we move into March.
