

Maths challenge :Have a go at our maths challenges. Don't forget to bring in your fantastic learning.

Learn all your times tables facts and division facts off by heart!

- Use tt rockstars – can you beat your time?
- Purple mash
- Make some flash cards
- Make a game
- Chant your facts
- Get a friend or family member to set you a quiz
- Design a poster
- Put the tricky ones to a tune

Learn your measures facts: eg

How many seconds in a minute, hours in a day, weeks in a year?
How many metres in a kilometre?

Practise using measures at home – follow a recipe, research the weights of different foods.

Record how much fluid you drink in a day. Record this in ml and L.
