

Times Tables

X4

Go on either TT Rockstars or Purple Mash to learn and practice your x4 tables.

There are some songs on Purple Mash you can listen to which will help you memorise them.

4x Table:

 Rock Singer	 Rap Singer	 Pop Singer	 Monster Singer	 Recall Game	 Musical Chairs Game	 Speed Test Game
---	--	--	--	--	---	---

Please note you do not have to record anything as I can see when children have used Purple Mash & TT Rockstars with their scores. If you are having problems saving their game can you record this and their score in their home learning books

Thanks
