

## Pumpkin Class Spellings

Please note that it is not a requirement to see written evidence of children practising their spellings in their books. We do activities in class and have a spelling quiz on Thursdays.

You will find the weekly focus words on here and also when your child logs into **Spelling Bee**. The weekly focus words will also be sent home every Friday.

### **Week beginning: 11<sup>th</sup> February 2019**

#### **This week's spellings: adding suffix -ly**

badly	bravely	gladly	kindly
loudly	nearly	quickly	quietly
sadly	slowly	softly	warmly

There is a sheet available to print if you want to use it to help your child practise.
