

Seedlings Class

Home Learning Summer Term

In preparation for Key Stage 1 we shall now follow the new planning format which enables children to become more creative and to apply the skills they have learnt.

Children are asked complete at **least 6** home learning tasks of their choice linked to the theme 'Ticket to Ride'. Tick off each completed activity and return this sheet with any home learning work no later than **Wednesday 11th July**

In addition please practise the High Frequency words handed out during last term's mentor meeting.

Thank you for your support
Miss Wilson and staff

<p>Learn your full name, including middle and surname. Create a name badge.</p>	<p>Find out 3 facts about a type of transport. When was the first car made? Who invented the aeroplane?</p>	<p>Learn the days of the week and months of the year. - Which day & month were you born?</p>	<p>Make a tally chart of the different coloured cars in a car park.</p>	<p>Write about a journey that you have been on. e.g. I went to the park for a picnic on my bike.</p>
<p>Create a graph to show the types of transport. Include grandparents, aunt/uncles bikes, scooters, vans, cars</p>	<p>Make a collage of a type of transport. Use various media such as foil for aeroplane wings or bottle tops for scooter wheels.</p>	<p>Write a list of things to pack for a holiday in the sunshine</p>	<p>Draw/paint a picture of your car, scooter or bike.</p>	<p>Help to clean a car. Draw and write instructions about what you did.</p>
<p>Make a list of places to visit in your local area.</p>	<p>Go for a walk around village to find: a feather, a pebble, 3 different leaves,</p>	<p>Make a boat with a sail. Check your boat floats in the bath!</p>	<p>Learn your address. What is your house name or number?</p>	<p>Measure the length, height and width of your car or scooter.</p>
