

# Willow Class Home-Learning

Autumn 2021

Weekly Essentials	<b>Enrichment Ideas</b> We encourage you to choose at least 6 activities over the term. It is always fantastic to see the creative ideas you have and the ways you extend your learning at home. Please record this in your home-learning book provided. Hand in Day: <b>THURSDAY</b>		
<b>Reading Challenge</b> Please ensure you are reading frequently every week. Log your reads on the GOREAD app to win rewards! Check-in Day: <b>THURSDAY</b>	<b>Create</b> a presentation or poster to show three things you would like to have a fresh start with this year. It could be taking up a new hobby, helping a friend in need...the list is endless. You might want to use PowerPoint, in which case you can submit it on Teams.	<b>Explore</b> pieces of art, music and poetry that are inspired by rivers and water. You might just want to reflect on what you think about the work, or you might want to have a go at creating your own piece of art, song, poetry or dance.	<b>Design</b> a piece of Anglo-Saxon jewellery or weaponry. Use the information you learn in class, or research in books or the internet as well.
<b>Maths Challenge</b> Have a go at the challenges that are set on TT Rock Stars. It is very important to learn all of your times tables in year 4. Check-in Day: <b>THURSDAY</b>	<b>Research</b> the major rivers of the UK (or a different country). Create a map to show which cities, counties and regions these rivers pass through and where they meet.	<b>Create</b> a model of the human digestive system. Use your imagination and choose whichever materials you would like to make it with. Extension: Explain how each part of the system works.	<b>Research</b> Anglo-Saxon runes. Create a message for the teacher to decode or make some artwork to spell out your name.
<b>Spelling Challenge</b> Weekly spelling focus is on Spelling Shed. Look at our Spelling strategies to help you learn them. Spelling Quiz: <b>FRIDAY</b>	<b>Purple Mash</b> Apply what you have been learning in your computing lessons and create some interactive games.	<b>Create</b> a 3D cross section model of a river and/or mountain.	<b>Describe</b> an adventurous mythical story, in the style of Beowulf. Use your best creative writing skills.
