

Juniper Class Autumn Newsletter 2017

The Juniper team would like to welcome the children to Year 4. We look forward to a happy successful year ahead.

Our theme for this term are Children in World War Two, We have a very exciting curriculum planned this term to help the children with their learning.

Home learning will be sent out at the beginning of the Autumn term. This can be handed in any day. It is checked on a Friday. Home reading is also checked on a Friday. Please can home reading be recorded in the Reading Record books, whether it is a school book or otherwise. Children should read a minimum of 3 times a week please.

Our Hook Day will be on **Thursday 14th September**. If the children would like to dress up as Evacuees then that would help them get into character for the day. As usual exciting activities are being planned for this day.

Reminder - could children please bring in a labelled water bottle.

PE/Games is on a **Monday and a Wednesday** so PE kits will be required on those days. There are occasions when this may change, so it would probably be advisable for children to bring their PE kits in on a Monday, and leave it for the week, just in case it is needed.

N.B Please name all your child's clothing

NB Swimming will take place in the Spring term

Help - the locker space is really limited and therefore it would be really helpful if PE bags are the small draw string type. Also, if pupils can bring bookbags which can be easily stored in the classroom, instead of large bags or bulky rucksacks, that too would be helpful. Thanks for your support with this.
