

New Classroom

For the summer term Pumpkin Class will be moving into the classroom opposite Sunflower Class. We will have our own door onto the outside learning space which will be fantastic.

Because the cloakroom is actually in the classroom, we will have very limited space for bags. Can I request:

NO RUCKSACKS please.

Children will only need:

a small drawstring PE bag,

a school book bag

and a coat.

This way our classroom will not become a messy bag store. Many thanks in advance.

Mrs Smith
