

Seedlings Class Spring Term Newsletter

Dear Parents

Happy New Year and welcome back to a new term. Here is a summary of the learning programme for your child during the Spring Term. We hope you find this useful.

English

We will continue to follow the Read Write Inc. Programme. We will be looking at simple words using Fred Talk to help sound out each letter sound. Children will also be writing simple words, labels and sentences linked to our traditional stories.

Maths

Children will focus on counting objects, adding and positional language (on, under, behind, between).

Topic

Our new topic for this half term will be 'Once Upon a Time' where we will be focusing on traditional and fairy stories. We will be kick starting our topic with our class 'Hook' day on Friday 11th Jan when children can bring a fairy/traditional story character toy and book. Please see overview sheet for more information about our topic or visit the school website.

PE

Our days for PE this term will be Monday and Wednesday (outdoor). Please check your child has their PE kit in school on these days.

Home Learning

Thank you to all those children who completed their phonic work. Please find this half term's phonic and maths home learning in their folders.

Home learning should be completed no later than 14th Feb. If you have any problems with accessing the internet at home, for the maths games, then please see your class teacher as provision can be made, for those needing it, to access the home learning at some point during the school day. Home reading books will continue to be changed weekly, please ensure reading logs are recorded each week.

Diary Date: Our Seedlings learning share to parents will be Tuesday 12th Feb

Thank you for your support
