

Seedlings Class
Spring Term Newsletter

Dear Parents

Happy New Year and welcome back to a new term. This is a summary of the learning programme for your child during the Spring Term. We hope you find this useful.

English

We will continue to follow the Read Write Inc. Programme. We will be looking at simple words using Fred Talk to help sound out each letter sound. Some children will also be writing simple sentences.

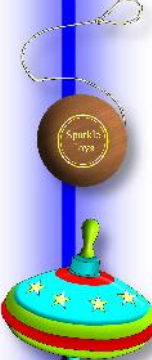

Maths

Children will focus on counting objects, adding and positional language (on, under, behind, between).

Topic

Our new topic for this half term will be 'Toy Town' where we will be focusing on traditional and favourite toys. Please see topic overview sheet for more information or visit the school website.

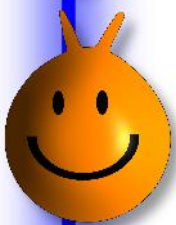

PE

Our days for PE this term will be Tuesday and Thursday. Please check your child has their PE kit in school on these days.

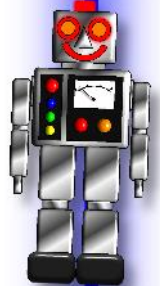

Home Learning

Thank you to all those children who completed their phonic work. Please find this half term's phonic home learning in their folders. Practical Maths tasks should be completed no later than 8th February, before half term. If you have any problems with accessing the internet at home then please see Miss Wilson as provision can be made, for those needing it, to access the home learning at some point during the school day.

Home reading books will continue to be changed on Monday where possible. Please listen to your child read at least three times each week and write a short comment in the home reading diary each time your child has read.

Thank you for your support
Miss Wilson and staff
