

## Reading at Stanford School

## WE LOVE TO READ

- ❖ In EYFS and Key Stage 1 we **learn to read**.
  - This is where we learn the foundations of reading, from identifying sounds to blending sounds and reading our first sentences.
  - We learn to use punctuation to make our reading fluent and expressive.
  - We learn how to read different types of text, from poems to stories.
- ❖ In Key Stage 2 we **read to learn**.
  - This is when we apply our reading skills to learn new things, from how to make cakes, look after a dragon and how to survive in a snowstorm.
  - We investigate many different characters and settings and learn to create our own.
  - We experience different genres of writing and how they are used in society today.
  - We learn how to become authors ourselves, how to entice a reader and capture their attention.
  - We experience many different types of text and make choices for ourselves of what we love reading.
