

Locational Knowledge

- Name and locate the world's 7 continents, 5 oceans and some seas.
- Name, locate and identify characteristics of the 4 countries and capital cities of the United Kingdom and its surrounding seas.
- Locate other areas studied through topic of coastlines.

Place Knowledge

- Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country.
- Compare coasts of the UK with coastlines in other countries.

Human and Physical Geography

- Identify seasonal weather patterns in the UK.
- Relate the location of hot and cold areas of the world to the Equator and North/South Poles.
- Use basic geographical vocabulary to refer to key physical features, including: weather, season, soil, valley and vegetation (in addition to previously taught vocab).
- Use basic geographical vocabulary to refer to key human features, including: factory, farm, house, office, port, harbour and shop (in addition to previously taught vocab).

Geographical Skills and Fieldwork

- Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage.
- Use simple compass directions (north, south, east and west) and to describe the location of features and routes on a map.
- Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features.
- Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.
