

SEND Parent Update

17 May- 23 May

Speech, language and communication

This week we were joined by Donna Redhead, Service Manager for NEL CCG and Lead of the current review on Speech, Language and Communication Needs in North East Lincolnshire.

This project brings together services and stakeholders from all areas to produce a shared vision of what this offer should look like.

Further to this there will be groups for specific areas like Children Who are Looked After, Youth Offending, Early Years, and school age children.

If you have an experience of this area and would like to share your views, please contact Donna at donna.redhead@nelincs.gov.uk.

What's new on the Local Offer?

There's lots changing to the Local Offer every week.

- [Trainee ELSA School Support Staff meet face-to-face for the first time](#)
- [Creative Connections competition winners announced ahead of book launch!](#)

Did your child enter?

- See the positive feedback from our work during Covid. [Our response during COVID-19](#)

Have your say! EHCP Annual Review Feedback

Let us know about your EHCP Annual Review. There is a feedback form on the Local Offer and it only takes a few minutes to share your valuable experience.

Give us your feedback on the [EHCP Annual Review Feedback](#) form.

You can also find this form where it says 'EHCP Annual Review feedback' on the [Parent and carer page](#), as well as the [Children and young people](#) page. When you share your experience with us we can improve what we can offer to you and others.

More than just SEND

The impact of having a child with additional needs has been an ongoing topic of discussion.

As a result, the parent run Facebook group, [NEL SEND Support](#) invited other parents and carers to share their experience through a survey. It asked questions like how having a child with SEND affected family life, social life and career.

Professionals who have seen these results were able to better understand the wider impact of having a child with SEND.

We cannot emphasise enough the importance of your first-hand experience.

We want to make sure all professionals can understand SEND from the parent/carer point of view. This way we can explore new ways that we can support families.

We are grateful to have the insight and experience of as many parents and carers as possible. If you

want to share your experience please contact

Lauren Thompson,

lauren.thompson2@nelincs.gov.uk

or call 01472 323337.

See the results of the NEL SEND Support survey.

Support for you

A local father said, “[Having a child with SEND] affects your career, your finances, and your goals, dreams and opportunities for the future.

“It can feel isolated and lonely. It’s an ongoing battle and you may be the only parent close to you living this.”

Do you know about the various types of support offered by the [Carers Support Centre](#)?

- Training
- Counselling
- Befriending support and a listening ear
- Support and social groups for young carers that your other children might like to join
- Information on your rights as a carer, finances and employment

You may also be able to find out about other organisations specific to your child’s needs that provide peer support, webinar, information specific to their health and more.

Carers Support Centre workshops and groups

Coming this summer!- Parents supporting parents

A group for parents who care for a child with additional needs. Get to know other parent carers, share experiences, and get support from your peers.

Carer workshop- Resilience Training

25 May, 2-4pm or 22 June, 6-8pm.

To book call, 01472 242277.

Carer workshop- Self-Care Massage

10:30AM to 11:30 am. Pamper yourself from the comfort of your own home. Guided by a trained therapist, learn how to make the most of ‘me time’ with massages you can try on yourself.

Book online for [Carers Support self-care massage](#).

School
