Parents/carers are expected to socially distance themselves at the gate when collecting. Only 1 parent to drop off and collect child/ren. Please wear a mask when collecting and dropping off your child/ren. Always be courteous to others, this is not a normal situation and can be distressing for some, please be respectful of others. Thank you for your co-operation.

Please drop off your child at the designated gate assigned to your child's Class.

Be aware of your start time and finish time, don't be late or too early! This will affect the safety of others. If you are delayed at drop off please keep your distance whilst waiting at the gates.

However tempting it might be to have a catch up with others at the school gate, please don't!

We need your help and cooperation to ensure the smooth running of this time table. Keeping everyone safe on their journey to and from school is everyone's responsibility.
