Academy Update

Wonderful news to share - the Academy Order for Stanford School to join Wellspring Academy Trust has been granted and therefore this is a very exciting time for the school.

As you know from the previous consultation, Wellspring is a positive and forward looking Trust, and we are excited about the future opportunities to collaborate with the other schools, both locally and across other regions.

Lots of things will stay just as they are and we will do our very best to keep you updated and supported through any changes.

Hot of the press is news about the new school name. Our super Pupil Voice team, along with Governor and Stanford Trust representatives have chosen the new school name, so after we convert we will be called –

Laceby Stanford Primary Academy

What a fantastic choice team!

Please do not worry about having to buy new uniform items and book bags etc at this stage with the new school name on them, as we will not be expecting any family to have to replace any item until they are ready to. We have met with the Wellspring Finance Team recently who suggested some ideas we can share with you shortly which will help out even more. It is important to share too that the colour of the school jumper and our very special and unique school badge will be staying just as they are. The rest of the uniform eg PE kit, colours etc will also be the same too. It is simply the name of the school that will be changing on the jumpers, hoodies and book bags etc.

We will be keeping you updated regularly about changes to admin type things too over the forthcoming months - things like logging into text service, online payments etc.

Signage to the school, school letterhead, etc will also be updated with the new name and information, as we convert, so you may notice some new things when you drop off your child/ren or when you are looking at the school website etc.

I am unable to share the final date of conversion with you as it may be subject to change but, all being well, we are looking at only a few months before the conversion will all take place. I will do my very best to keep you as informed, as possible.

I am sure you will be as excited as we are about this positive news but if you do have any queries, do please let us know and we will do our best to answer them.

Thanks for your support,

Mrs L Hackfath
Headteacher
