23rd January 2024

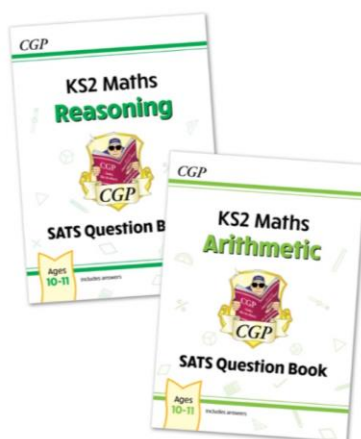

Dear Parent/Guardian

As you will know, your child in Year 6 will take part in statutory end of KS2 assessments later in the year. This year's SATs week is Monday 13th May – Thursday 16th May.

There are revision booklets available to buy, which will really help the children to consolidate the learning that is taking place in the classroom. The revision text and workbooks are a fun way to revise and have been helpful for children that have used them in previous years.

We would like to use these revision guides to support weekly home learning tasks and will be discussing answers and strategies to solving the problems within the classroom, there is no expectation for parents/carers to mark the workbooks.

These workbooks retail between £4.50 and £5.50 each, but as a school we can order them at a reduced price of £5.00 for both. We will be ordering the CGP Key Stage 2 Maths Reasoning SATs Question Book and CGP Key Stage 2 Maths Arithmetic SATs Question Book. If the cost of the workbooks is a cause for concern, then please get in touch and you can discuss the matter in confidence with the school business manager Dawn King. We could look at a payment plan or support for those in receipt of Pupil Premium.

If you would like to purchase these revision guides for your child, please pay £5.00 to order them via scopay.com or cash (in a sealed named envelope) by **Monday 5th February**. Unfortunately books will only be ordered for those pupils that have paid.

Thank you for your continued support.

Yours sincerely,
Mrs Smith
Year 6 Teacher
