

Stanford Junior and Infant School Christmas Events

We may have to celebrate Christmas differently this year due to the current climate, however, this will not stop Stanford School. We are still going to make sure children have a wonderful experience and learning opportunities. Please find details below of all the events taking place over the next few weeks. As always, Pupil Voice have made their valuable suggestions.

More info

Enterprise Crafts: Each class are busy designing and making their enterprise projects, using their creativity and business skills. You will be able to purchase these via Scopay.com. This will help add to school funds for more educational resources. All being well, the items will be given to pupils to take home during the last week of term.

The Nativity Story: Daisy, Marigold and Cornflower Classes will be creating a short nativity video to share electronically. The other classes in school will be looking at different aspects of the Biblical story and sharing their work online too.

Christmas cards: If children wish to send Christmas cards this year we are asking they write one for the whole class and not individually. This is to reduce the risk of contact.

We hope the children will enjoy these range of activities and events as we celebrate Christmas at Stanford. We look forward to sharing the events with you all on Facebook and our School webpage.

(All trips and activities are subject to COVID restrictions and may be cancelled if there is an outbreak under public health guidance. We ask when attending the carol sing-a-long that you abide by social distancing rules where appropriate.)

Ho! Ho! Ho!
