10th March 2023

Dear Parents/Carers

Easter Events & Competitions 2023

Once again, as Easter approaches, the children are looking forward to our Easter events. These will take place on Wednesday 29th March. These competitions are always well supported and children enjoy entering their creations made at home. There will be a selection of Easter egg prizes throughout the year groups.

Craft Competitions

Children in Foundation and Key Stage 1 can make an Easter bonnet that is child-led and creative. Children will then parade in their bonnets on Wednesday 29th March, weather permitting.

KS2 children can decorate a hard-boiled egg, making a character or scene if they wish. Eggs should only be brought to school on the morning of Wednesday 29th March, please, as we have limited space for safe storage.

Easter Services

Children in Year 3 and Year 4 will be going to the church to celebrate Easter on Wednesday 29th March, where they will be leading a service. This is an enrichment opportunity for the children and we are not asking parents to attend on this occasion. The rest of the school will have a special assembly in school on the same day.

Children will have been busy learning new songs and creating art work and presentations to demonstrate their RE learning.

Easter Film Night

In addition to the crafts and services, a special fundraising film night will be held at school on the same date. Information for this will follow in a separate letter.

If you require any further information, please speak to your child's teacher.

Thank you for your support.
