March 2024

Dear Parent/Guardian

Easter Events & Competitions 2024

Once again, as Easter approaches, the children are looking forward to our Easter events. These will take place on Wednesday 27th March. These competitions are always well supported and children enjoy entering their creations made at home. There will be a selection of Easter egg prizes throughout the year groups.

Craft Competitions

Children in Foundation and Key Stage 1 can make an Easter bonnet that is child-led and creative. Children will then share their bonnets in the Easter service with the rest of the school.

KS2 children can decorate a hard-boiled egg, making a character or scene if they wish. Eggs should only be brought to school on the morning of Wednesday 27th March, please, as we have limited space for safe storage.

Easter Services

All children will take part in an assembly in the hall on the Wednesday, where Revd Goldsmith will visit, to share Easter stories, while the pupils share their school work and craft creations with each other.

Children will have been busy learning new songs and creating art work and presentations to demonstrate their RE learning.

Easter Film Night

In addition to the crafts and services, a special fundraising film night will be held at school on the same date. Information for this will follow in a separate letter.

If you require any further information, please speak to your child's teacher.

Thank you for your support.
