

Are you looking to change career?

Have you ever thought about becoming a primary school teacher?

Do you have family or friends who have expressed an interest in becoming a teacher?

East of England Teacher Training are a local SCITT who are currently recruiting trainees to start our primary teacher training course in September 2020.

We work in collaboration with a large number of schools across Grimsby, North and North East Lincolnshire, to offer high quality Initial Teacher Training, where you spend the majority of your time within these schools, being trained by the experts! *The practical school-based nature of the training is valued highly by trainees. They appreciate the opportunity to learn from teachers who are experts in their field and then apply this learning in classroom situations (Ofsted 2018).* As a result of this, we annually have high employment rates and our trainees feel fully prepared to start their NQT year.

We can guarantee that our trainees will train in schools within their local area and we are highly ambitious in ensuring that high quality local teachers, train to teach within local schools.
