30th August 2023

Dear Parents/Carers,

We hope you have all had a lovely summer and are now eagerly awaiting your new journey with us at Stanford Junior and Infant School.

We are looking forward to welcoming you next week for your transition days into our Early Years Foundation Stage and have been preparing for this. Due to extended building work in our new unit, we will be using our Hub Classroom with outdoor learning space until the work is complete. We have created a warm and welcoming learning environment which you are invited to see as you drop off your children on their transition days.

As you enter the playground, members of staff in our usual high-viz vests will help to direct you to our entrance. By walking towards the field and following the pathway marked by the yellow dots round passed the 'Trim Trail' play equipment you will find our temporary entrance where we will be waiting to welcome you.

Please be assured that whilst our exciting new areas are being completed we have worked hard to ensure that our site is safe, and we continue to give our usual highest priority to safeguarding.

Please enjoy your last few days of the summer holidays and we look forward to seeing you on your allocated days next week

Warm regards,

Mrs LJ Hackfath
Headteacher
