Model Making Club – Year 5

Dear Parents/Carers

Year 5 children are invited to take part in an afterschool club, where they will have the opportunity to make scale models of aeroplanes, using professional kits.

This club will take place over 3 weeks – commencing on **Tuesday 8th June** and finishing on **Tuesday 22nd June**. It will run from 3.15 – 4.15 each week.

We will be limiting attendance to **8 spaces**, so that each child attending will have enough access to adult support with their building.

The club will cost £15 in total, which will be payable via scopy. At the end of the 3 weeks, each child will have their own model which they can then take home and keep.

Please can you confirm with a member of the year 5 staff whether your child will be making their own way home or being collected.

Thank you

Mr Waterfall
