Dear Parents/Carers,

Red Nose Day 2023 will take place on Friday 17<sup>th</sup> March and the children can wear brightly coloured clothes to 'Dress for Joy!' Red Noses and other Comic Relief items, such as the new Mr. Men T-shirts which can also be worn.

Red Nose Day is an event designed to help put an end to child poverty around the world through fundraising events and TV specials, raising money to keep children safe, healthy, and educated. **If you are able to make a small donation to this worthwhile charity, please either send cash on the day or make a donation on Scipay.**

Official Red Noses are available to purchase on [Amazon](https://www.amazon.com) for £2.50 The money raised from these sales will support those struggling with the cost-of-living crisis and will aim to tackle issues like mental health, homelessness and food poverty around the world.

Many thanks for your support,

**Mrs. Brady and Miss Purhouse**
