

St Margaret's Church Laceby

This is the time of the year when we are all celebrating

HARVEST

But not as we have done in other years.

We are sad that you cannot come to church because of coronavirus this year.

We want you to know how much we are missing your visits

And we are looking forward to being able to WELCOME you back to church.

HARVEST FESTIVAL

Will be different for all of you this year

BUT

I know that your teachers will have made it very special for you

although it is different this year.

I shall be thinking of every class as you celebrate

Gods Gifts at Harvest Time

I look forward to the time when we can all join together again in church

We Miss You All At St Margaret's

Enjoy your Harvest Celebrations

I shall be thinking of you and praying for you all

I just wish I could be in school with you.
