Dear Parents / Carers

Re: Holiday Activities and Food Scheme Summer 2022

The government has provided Stanford School with funding to coordinate free holiday provision – including healthy food and enriching activities – for children who receive benefits-related Free School Meals, pupils who have SEN or additional needs or for pupils and families we feel would benefit from this provision.

The holiday scheme will run for 4 days from **Monday 25th July to Thursday 28th July, 8.30am until 12.30am**. Each day there will be a different enriching activity, breakfast, drinks and snacks, there will also be a healthy picnic on the last day. There will be no cost for this and is fully supervised by our school staff. Please see below for detailed itinerary (subject to adjustments):
