Holiday Activity & Food Programme in North East Lincolnshire

Dear Parent/Carer,

Premier Education are proud to announce that this Summer we will be continuing our partnership with North East Lincolnshire Council and Wybers Wood Academy to support them in delivering their Holiday Activity & Food Programme (HAF).

The programme is aimed solely at children eligible for Free School Meals and will provide these children with 16 days of fun and engaging multi-sport activities as well as performing arts and well-being sessions. All sessions will be delivered by our Premier Activity Professionals. The days will run from 8am-5pm but you can drop off anytime between 8am-9am and collect between 4pm-5pm.

As well as taking part in the activities the children will also receive a **free hot lunch** each day to keep their energy levels high and maximise the fun that they will have with their friends. All of this totally **FREE OF CHARGE**.

After many weeks of being at home and away from school at the start of the year we were delighted to support this programme during the Easter holidays and found that the children loved being active with their friends and so are even more excited about being able to offer even more of these days across the summer.
