Together
for Childhood

CONVERSATION

FREE

Get ready for an epic gathering of minds at 'The Big Conversation' where we'll chat, debate and explore ideas that matter.

This is an event organised by young people for young people to plan change with decision makers. Using interactive activities we will share ideas between young people (10 to 18) and decision makers to create positive change in our communities. With a particular focus on 'places to go and things to do', across the borough (Grimsby, Cleethorpes and Immingham).

Food and
refreshments
will be provided
on the day.
