WW2 Workshop

Dear Parents/Carers

We are delighted to be hosting a special WW2 workshop on the 11th June for the year 5 children which is perfect for reinforcing and expanding our learning on this subject.

This workshop will be an excellent opportunity to enhance our understanding with a bespoke timetable to enable us to reach our learning objectives, covering a range of topics, such as:

- The Road to War
- The Blitz and Air Raids
- Evacuees
- Rationing

The full day includes genuine and replica equipment, scenery, travel, kit & equipment and historical interpreters to deliver the day. It will be like having a museum in school.

In order to finance the workshop, we would be grateful for a voluntary contribution of £5.00. The school has subsidized this. If the provision of a voluntary contribution is a cause for concern, then please get in touch and you can discuss the matter in confidence with the school business manager Dawn King. Please note if school receives insufficient funds then it may have to be cancelled.

Contributions can be paid online at www.scopay.com if you haven't registered yet then you can request a copy of your registration code and setup information from the school office. You can also pay cash to your child's class teacher in an envelope marked with your child's name or handed in at the school office.

We thank you for your continued support.

Yours sincerely

Mrs L Hackfath
