Please see www.stanfordschool.org for further information.
Hook Days Dress up is optional!

Please enjoy reading all the wonderful contributions from each class about their learning experiences.

Laceby Stanford Primary Academy is proud to announce that it is one of 310 schools that has been awarded the Primary Science Quality Mark (PSQM) this term, a nationally recognised accreditation that celebrates a commitment to developing excellence in science leadership, curriculum design, teaching and learning.

Foundation

📚 ✨ What a Fun-Filled Literacy Week! ✨ 📚 This week in Foundation, we've had an amazing time celebrating the joy of rhymes and reading!

We kicked things off by celebrating World Nursery Rhyme Week. Sharing our favourite rhymes, singing together, and even creating our own fun actions to go along with them. 🎵 🖐️

Then on Thursday, we celebrated Michael Rosen Day! We joined an online lesson with Michael Rosen himself along with over 1,000 other schools across the country! The children loved hearing from him and taking part in all the excitement.

Afterwards, we spent the day enjoying lots of activities inspired by Michael Rosen's wonderful books and rhymes. And in the afternoon... we went on our very own Bear Hunt! 🐻 🌼

Through the long, wavy grass, the deep, cold river, the oozy mud, the dark forest, and finally into the cave... where we came face to face with a bear! 😨

The children raced all the way back, re-enacting the story perfectly right back under the quilt, shouting "We're not going on a bear hunt again!" just like in the book!

What an incredible week it's been full of laughter, learning, and a true love of rhymes and books. ❤️ 📖

Year 1 Design and Technology Workshop: Amazing Sliding Pictures

The children had a wonderful time with the help of their grown-ups to create the fantastic sliding pictures they had previously designed. They carefully used paper, card, scissors, glue and crayons to create amazing moving pictures.

'It was fun. I liked my mum coming to help me.'

'My dad helped me and we had some yummy food.'

'If you pull the strip of card, a rabbit pops out of a hat.'

'I made a hot air balloon. I could move it up and down.'

'It was great to come into school and do some crafting with my child.'

'We had so much fun learning a new skill and bringing his designs to life.'

'Super fun and creative!'

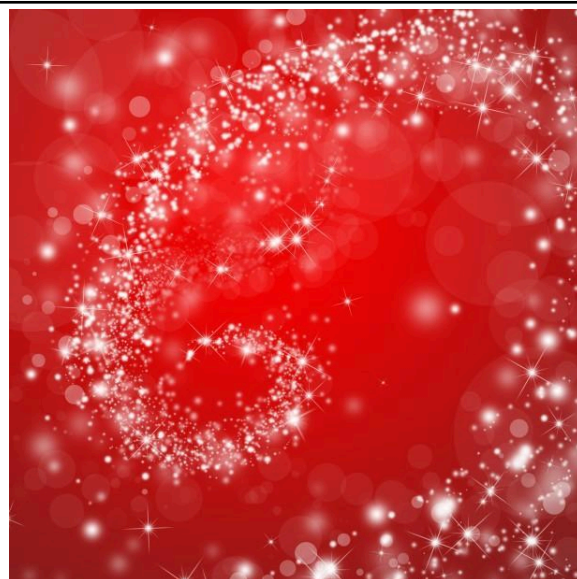

Year 2 Enterprise: Designing and Making Calendars

The children decided a handmade calendar would be a perfect and useful gift to sell this Christmas. With encouragement from Mrs. Brady

🐸 they thought a frog theme would be good!

They quickly got designing and making. It was great to see them developing their painting, cutting and sticking skills and carefully assembling each unique calendar. Their calendars sold well at the Christmas Fayre, making a total of £23!

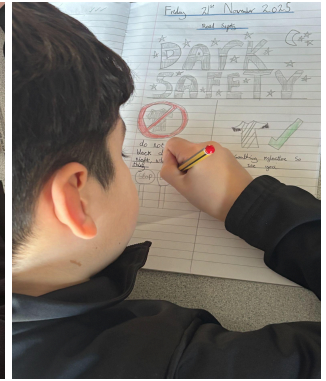

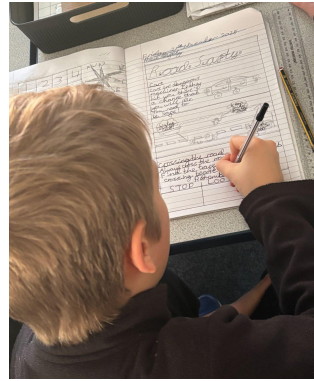

Year 3 Sponsors a Guide Dog!

This term the Year 3 children were absolutely thrilled to announce they are sponsoring a guide dog puppy named Parsnip! This exciting opportunity allows the class to follow Parsnip's journey as he grows and trains to become a vital companion for someone with sight loss. The children can't wait to receive "pupdates" and track his progress.

To support Parsnip and the fantastic work of Guide Dogs UK, Year 3 will be hosting a special fundraising morning in the new year. This fun-filled event will include a bake sale with delicious treats, engaging music, and an entertaining quiz for the whole community. All proceeds raised will go directly towards helping Parsnip and other guide dogs in training. Get ready to bake, sing, and quiz for a great cause!

Year 4 / 5 Blossom Class

A highlight for the children in Blossom class this term, has been investigating extreme weather patterns in the UK and around the globe. They investigated climate zones and became weather investigators providing presentations on their chosen weather patterns

Year 4 / 5 Marigold Class

For Road Safety Week, Marigold Class discussed what road safety means for them within the context of living in Laceby and identified the key risks they need to be aware of in their local community. We also explored how road safety connects to our Rights Respecting School work, recognising clear links to several UNCRC articles. In particular, pupils identified that road safety supports Article 3 (best interests of the child), Article 6 (life and development), Article 19 (protection from harm), Article 24 (health), Article 28 (education), and Article 31 (safe play).

Year 6 Christmas Make £5 Grow Success!

Our Year 6 pupils have been busy taking part in Virgin Money's "Make £5 Grow" project, learning valuable skills in teamwork, creativity and financial responsibility. Working together, the children designed, created and marketed their own festive products, including beautifully crafted art frames and delicious reindeer pops.

Their hard work certainly paid off, with both products proving popular at our Christmas events and helping the pupils make an impressive profit. Well done to Year 6 for showing such initiative, collaboration and Christmas spirit!

A HUGE Thank You for the Christmas Fayre! Thank you so much for your incredible support of our recent Christmas Fayre. Your **donations, attendance, and wonderful positive Christmas spirit** made the event a huge success and a true highlight of the term.

A Focus on Home Learning: Thank you for your amazing dedication to **home reading and home learning**. This time spent together makes a real difference to your child's progress—please keep up the fantastic work!

Attendance & Engagement: We truly appreciate seeing so many of you attend our school events and performances. Your presence is invaluable and always makes the occasion extra special for the children

Staffing Update: We are delighted to share a personnel update and look forward to **welcoming Mrs. Wardle to Cornflower Class** in the New Year!

Well done to all our pupils for being amazing—we are so proud

of your hard work and achievements.

We also want to extend a massive **thank you to our dedicated staff** for their amazing work and commitment throughout the year.

We've had such a wonderful term! The positive feedback we receive is a testament to our brilliant school community.

Wishing you and your family a very **Merry Christmas** and a happy, restful New Year!

Best wishes,

Mrs L Hackfath

Headteacher
