

# Stanford Junior & Infant School

## Newsletter – 28<sup>th</sup> May 2021

**We are having a fantastic term – lots of exciting activities and great learning!**

Remember to look at the school website and Facebook for more information too. We are so proud of our wonderful curriculum and hope you enjoy finding out about it.

Have a super half term and we look forward to welcoming the pupils back to school on Tuesday 8<sup>th</sup> June, 2021 at their Bubble start times.

Thanks for your continued support.  
Mrs Hackfath, Head Teacher.

having a party and finding out more about Sarah and Philip Stanford and the history of our school badge. Thank you to Deputy Mayor Hasthorpe for the video and to the Stanford Trust for the coins for the pupils. We have enjoyed seeing our school flag fly high and listening to our special school song.

### Covid Risk Assessment Revalidation visit by NELC

A member of the Health and Safety, Occupational Health and Wellbeing team visited school last week to revalidate our Covid-19 risk assessment. The Local Authority have taken the decision to keep all the control measures in place in schools for the rest of the school year. Unfortunately, this means, we will be unable to ask parents on site for Leaver's Service, sports days etc again this year. The risk assessment at school had been revalidated and we continue to keep the pupils and staff as safe as possible.

### WOW Day

Pupils are really enjoying our 'Wow' sports days with Premier Sports this term. There has been a range of activities for the children to enjoy – they have been able to develop their team work skills and listening skills too!

As we have been unable to involve parents in the Sports Days on site, we hope you have enjoyed hearing about the days from your children and seeing the photos etc on our school social media sites.

Pupils are also looking forward to our special Skipping Workshop Day on June 16<sup>th</sup> - more details to follow. Thank you to Mr Middleton for organising these events.

### Hook and Curriculum Days

Pupils love their 'Hook Days' in school – as part of our Pupil Voice work, they have requested these stay in place, as we review our curriculum, as they are so popular! Thank you for your help with resources and costumes etc – we love creating special memories and having fun!

Please see the diary date section for further curriculum dates next half term which the pupils have helped to design and are looking forward to sharing their learning with you and members of the community.

### Bikeability

Our older pupils enjoyed developing their road safety skills with the Bikeability team this term too. School Governors gave fantastic feedback to the pupils' skills and attitudes. Well done and keep safe on the roads! Remember to wear your helmets and follow the guidelines.

### Alzheimer's UK

Miss King is taking part in the Yorkshire Three Peaks this weekend for Alzheimer's UK, if you would like to donate please go to: [www.justgiving.com/fundraising/Dawn-King?utm\\_source=Sharethis&utm\\_medium=fundraising&utm\\_content=Dawn-King&utm\\_campaign=pfp-email&utm\\_term=f44fe85b39fb4d8ebfe729ca06c50be6](http://www.justgiving.com/fundraising/Dawn-King?utm_source=Sharethis&utm_medium=fundraising&utm_content=Dawn-King&utm_campaign=pfp-email&utm_term=f44fe85b39fb4d8ebfe729ca06c50be6).

### Community – Rights Respecting and Transform our World Project

At Stanford we care about our environment and the world around us. This year, all classes took part in a project called 'Transform Our World', where we learned more about

### Founder's Day

We have enjoyed celebrating the school's birthday again this year in our special Founder's Day activities. Pupils loved

climate change and people such as Greta Thunberg. Some classes recorded speeches, created posters and even got in touch with our local MP with our views on the matter. We are committed to learning about Sustainable Development Goals and are doing our bit to contribute to the wider community. Linked to this, we will soon be further developing our understanding of the United Nation's Charter of the Rights of the Child, following the 'Bronze' award we previously received as a 'Rights Respecting School.'

Mr Middleton, Geography Lead

### Walk to School Week

Brilliant to see how many families and pupils chose to walk to school last week (despite the rain!) It is such a great way to help stay fit and healthy and reduce traffic congestion near the school. Thank you for your help!

### Race for Life

Well done everyone - you have helped to raise £222.00 for this very worthwhile charity. The pupils really enjoyed the activity - thank you to Mrs Marsden and Mr Page for leading on this. An extra special donation from a lovely year 4 pupil and their family was also greatly appreciated.

### After-School Clubs

Kick-starters went really well. Next term we are looking at offering 'Model-Making' club for year 5 with Mr Waterfall and 'Reading Club' to FS/Yr1 with Mrs Jones. Also Mrs Christie will be starting her Cookery Club again. Premier Sports will be leading clubs on a Tuesday and Friday too. Look out for the letters to sign up. Thanks.

### Transition

Pupils are already excited about the next step in their journey and we are supporting and guiding them. A number of transition dates are in place for our year 6 pupils. Many of the events are virtual this year. The pupils have been learning, in their PSHE sessions, about changes and feelings in order to support them in their moves. Mrs Smith, FS/KS 1 Lead, has been making contact with our new starter settings for visits and calls. We have also added a lovely transition video to our school website along with some helpful information for parents and pupils. All being well, we also hope to visit each 'new starter' family (socially distanced) towards the end of term to help ensure the exciting start in September 2021 goes as smoothly as possible. We are very much looking forward to welcoming the new members of our school to the Stanford Family. We are hoping to have the Transition Inset Day in July too to

allow all classes to move up safely to their next class teacher. We find this such a valuable part of our school calendar and we know that the pupils find it really useful too.

### Personnel Update

Congratulations to Mr and Mrs C Smith, who have welcomed a new baby boy. Everyone is keeping well and we are looking forward to meeting him. Mrs Smith passes on her thanks for the lovely cards.

Mrs Hill and Mrs J Smith are covering Mrs C Smith's maternity leave and are Acting -Deputy Heads for part of the week. Mrs Hill is leading Behaviour and Nurture and Mrs J Smith is leading on Safeguarding as Designated Safeguarding Lead.

Miss Wilson is currently off work and Seedlings class are being covered by Mr Wright and Mrs Jones (both supply teachers known to the school.) I am sure you join with us in wishing Miss Wilson all the best and we know she really appreciated receiving the lovely messages and Get Well cards.

I am pleased to inform you that Miss Harriet Purhouse has been appointed as class teacher from September 2021- we look forward to welcoming her to our friendly team. Mrs Fielding will be leaving her Learning Mentor role in early June and Mrs Jones will be taking over these sessions. Thank you to Mrs Fielding for her work with helping develop wonderful nurture learning at school. Mrs Fielding will continue her teaching assistant role and lunch role at school. Information about staffing and classes for September 2021 will be shared formally in the pupil's annual report this year, as usual.

Mr Lyle has been an excellent student teacher in Barley. We wish him well as he leaves Stanford on 11th June.

### Dates to Remember:

Fri 28<sup>th</sup> May - End of Term  
 Mon 7<sup>th</sup> June - Inset Day  
 Tue 8<sup>th</sup> June - Pupils Back  
 Tue 8<sup>th</sup> June - Y6 Multi-Sports start  
 Tue 8<sup>th</sup> June - Y5 Model Making Club - 3.15-4.15pm
