

## Who else can I tell if I'm worried?

- A Friend
- Mum/Dad or another relative
- Teachers/TA's
- Lunch time Staff
- Any other adult in school

The Headteacher, the Governors and the staff will work together to:

- Make our school a place where everyone can feel safe and happy. That means no bullying allowed!
- We will help everyone to get on with each other and we believe that everyone has the right to be who they are.

## Where else can I go for help?

Always there for you.

# Children's Safeguarding Policy

## What is Safeguarding?

Safeguarding is keeping you safe and protecting you from harm.

All of the adults at Stanford Junior & Infant School know that your health, safety and welfare are very important.

We want to make sure you know who to talk to if you have any worries.

We will respect and protect your rights .

We will do our very best to help you do the best you can and be the best you can.

We want to make sure you know how to keep yourself and others safe by recognising risks in different situations.

## How we will protect you?

We make our school a safe place to learn and somewhere you look forward to coming to.

It is important we teach you how and where to get help.

We make sure we have trained staff who are here to help you.

**IF YOU ARE WORRIED ALWAYS  
SPEAK TO SOMEONE YOU TRUST.**

**WE NEVER WANT YOU TO KEEP  
THIS TO YOURSELF.**

**WE LISTEN YOU AND ACT ON  
YOUR WORRIES.**

## What should children do?

### **TALK AND SHARE YOUR WORRIES**

If you are worried about anything, either at home or in school, you can tell any adult in school.

Mrs Cawley is a great listener and always has really good advice!

## What things might cause worry?

- Someone hitting, punching or smacking you
- Someone trying to give you tablets, cigarettes, drugs or alcohol
- Someone touching you in a way that makes you uncomfortable
- Someone saying something to you or hearing something that you do not like or upsets you
