

## Pupil Voice Meeting – 5.10.22

- JJ and Pupil Representatives from FS – Y6
- Agenda
  - Safety in School
  - Bullying policy and prevention
  
- Children feel safe in school – they know who to talk to if they are upset or struggling and feel that they are listened to when they do speak to an adult
- All classes like to the worry box as an option if they don't want to directly speak to an adult in the first instance
- In previous years, children in UKS2 have enjoyed being buddies at lunchtime for younger children – e.g. encouraging play in FS, Wake Up Shake Up in KS1, buddies with equipment, Colouring Club in KS1 and KS2 playgrounds – would like this/some other clubs to continue
- New equipment on playground is enjoyed and being well looked after – older children would like to show/remind the younger children how to use and respect the equipment and how to put it away
- Children in KS1/that use the KS1 playground like to use the bench areas to sit and talk and know that if they are sat there alone, someone will come to help them – could be another child or an adult will check in
- KS2 playground benches aren't as welcoming and could perhaps be a focus area for outdoor improvements in the future

### NEXT STEPS

- Discuss ideas for improvements to KS2 bench area
- Organise some lunchtime buddy clubs – KS2 coaching KS1/LKS2 pupils

### FUTURE MEETING AGENDA POINTS

- Autumn 2 events e.g. Christmas events
- Rights Respecting School Award
- British Values and the importance of The Equality Act
