

Pupil Voice 8.11.16

Roald Dahl Activity Day

Before the activity day after school children from each class got to watch different films from the stories of Roald Dahl. These included Matilda, Danny the Champion of the World and James and the Giant Peach. The children really enjoyed this and would like to do it again. Apparently it warmed them up and got them ready for the activities after school.

They made dream jars, chocolate boxes, bird pie, Georges Marvellous Medicine, making houses with the contents upside down, making beards and finally they made a giant peach from Paper Mache. The favourite activity that people said from pupil voice was- Georges Marvellous Medicine.

The evening was very successful. Some people would also like to do an event like this again.

Ideas

There was an idea that KS1 had one side of the room & KS2 have the other side. Some people didn't have enough time to go around every area. And some people suggested that each Key Stage have it on a different day. But there was some older children that didn't join in when they were there. That is the only piece of sad news ☹ there is. So if you were one of them please join in next time if you are there.
