

Tuesday 3rd March

This week in pupil voice we have been discussing what **clubs** we would like to do in school over the summer months and what other hobbies pupils like to do out of school. We have also had a vote in our classes of which **clubs** we liked the most.

Here are the winning clubs:

- tennis
- rugby
- baseball/ rounder's
- ultimate Frisbee
- fencing
- tri golf

we're also having a dance club and gymnastics that will take place on Tuesday and Wednesdays.

The dance club will be open for KS2 and gymnastics will be open for KS1.

Why do some pupils not come to our clubs that are already provided?

- Time and money [sometimes parents can't always provide the time and the money for their child to go to our clubs]
 - The days that they are on can effect whether they go to clubs or not
 - When other friends don't go to our clubs then we don't go either
- Some of the older children don't normally go because they don't need childcare after school,so they may be able to let themselves into their house unlike the younger children.
