### Easter

Last year everyone enjoyed the egg competition. So this year Ks2 are doing the same egg competition. So be creative. KS1 will still have their hat decorating competition. This year KS1 would like to go on an egg hunt in two's. Each class are going to go out on their playground and will see who finds the most eggs.

### Christmas Tuck Shop

All the children liked the star cookies at the Christmas Tuck Shop, they also liked the fact that it was different and more of a variety. The rocky road was definitely a favourite because it went in less than 5 minutes. A Valentine tuck shop would be good on the last Friday of half term, 2 classes could make biscuits or cakes to sell.
