

# If you go down to the woods

## Seedlings Class

"A squirrel because they pick up all the acorns." Mollie

"A bear because you can roar!"  
Oliver. L

"A deer because they have antlers."  
Sonny

"A pony because I like ponies and they are so pretty. I would eat grass." Florence

**If you could be a woodland animal what would you be?**

"A woodpecker because they nod their head." Lily

"An owl because they fly at night and they chase after squirrels." Harrison

"Would you like a tea party?" Bella

"Where would you like to go on holiday?" Lewis

**What question would you like to ask the very hungry caterpillar?**

"Do you like grapes?"  
Charlie. R

"What is your favourite fruit?" Joshua.

"Would you like a piece of my chocolate?"  
Harrison

"I A roof top  
and chimneys."  
Ollie

"A snow top  
mountain!" Radian

"Butterflies and  
bees." Alfie

**What would you see from the top of the  
highest tree?**

"A field with some  
sheep." Olivia

"Seagulls and  
clouds." Mollie

"I would be a bee  
so I can make  
honey." Poppy. R

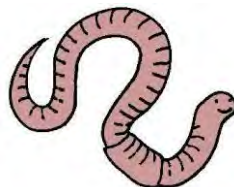

"I would be a  
worm because I  
could wriggle  
about!" Ella

"A bee because  
they can fly and  
I would like to  
fly." Henry

**Would you rather be a bee or a worm?**

"A bee because I like  
to see them in my  
garden on all the  
flowers" Charlie. R

"A worm because  
you can hide  
underground."  
Alfie

“Yes, chop trees to make things that help us”

Poppy. B

“Yes, so you can make wooden tables and chairs to sit and have a meal.” Evelyn

**Do you think we should chop down trees so we can make things out of wood?**

“Yes, we can make a house from trees.”

Sienna

“No, because trees can fall on people and animals.”

Henry

“If we chop a tree we should plant a new tree.” Charlie. J
