3rd May 2019

Dear Parents/Carers,

Re: - New Starter Meetings – Foundation Stage Pupils starting in September 2019

We are delighted to invite you to a range of events at Stanford Junior and Infant School that will support your child/ren to enjoy a really good start to their new school in September 2019. We are all very excited about meeting our new starters again and we are sure they will enjoy their time at our wonderful school. Please see below information about key dates for transition meetings and we hope you are able to join us.

Firstly, we hope your child/ren will be able to join us on **Thursday 6th June 2019** between **10.00am – 11:30am**. This will be a fun packed morning where our new pupils will enjoy investigating their new classroom and meeting new friends. It is also an opportunity for parents/carers to accompany their child/ren at 11:30am where you and your child can sample our school dinners; the food is supplied by our Catering Suppliers, Cygnet/Chartwells, who have agreed to offer this free of charge for this visit. Menu enclosed. If you would prefer to bring a packed lunch then please feel free to do so. Should you or your child have any dietary requirements please let us know no later than **Friday 24th May 2019**.

Also, please join us on **Tuesday 2nd July 2019, at 5:30pm** for a Parent's Evening in the main school hall. This meeting will give you the opportunity to meet with the staff again and enjoy a short presentation about the Foundation Stage curriculum. We will also distribute our School Brochure and share relevant information eg uniforms, lunches and after school care. As children have had several transition visits this evening's meeting is for parents/carers only.

In addition, Miss Wilson, Foundation Stage teacher, has also organised a number of home visits in the forthcoming weeks. Please contact the school should you wish to arrange a home visit if you have not already done so. We hope these meetings are useful and ensure that you feel that key information has been shared with you and our new Foundation Stage pupils.

We look forward to welcoming you on these dates and if we can be of any further assistance, please do not hesitate to contact our school office.

Kind regards,

LJ Hackfath and KJ Wilson
