

Dear Parents,

It is this time of year again when the Year 5/6 pupils are planning their Enterprise project for the annual activity day. The children will be designing their activities, creatively marketing them, calculating the profit they make and learning organisational skills. They would like to ask all parents and carers if they could donate prizes for their stalls. Bagged sweets and small prizes would greatly be appreciated.

Could all donations be in by Tuesday, 26th
June.

Yours sincerely

Year 5 and 6 pupils
