Dear Parents,

We would like to invite you to join Tapestry. Tapestry is a secure website that will enable us to share and include you in your child's learning journey. You will be able to view photos of their work and read any notes we have written about their achievements. Also, you will be able to send us information and pictures of interesting things that happen at home!

You can find out further information about Tapestry by visiting their website
www.tapestry.info/about.html

We would be most grateful if you could complete the invitation slip at the bottom of the page. Once you have returned the slip to school, we will send you an invitation to join Tapestry by e-mail.

Your e-mail details and your child's profile will not be available for others to view.

Tapestry can be used on a computer, iPhone, iPad, Android and some Amazon Fire. We have used online learning journals for a number of years and OFSTED were really impressed with it; saying it was 'excellent communication with parents.'

We look forward to including you in your child's learning journey.

Best wishes,

Miss Wilson, Mrs. Cox & Mrs. Groves
