Dear Parent/Carer,

Fluent Coaching - Nurture and Support Sessions

I am writing to inform you that your child has been selected to receive some extra support in school. This support will be delivered by Mel, a Life Coach/Counsellor, who works for Fluent Coaching. Mel can help children for a variety of reasons, such as low confidence, low self-esteem, passive nature, anxiety, bereavement, anger and general behaviour or friendship issues. The sessions will be 1 to 1 with the confidentiality boundaries in line with the school's safeguarding policy. An information leaflet on Fluent is also attached.

Coaching takes place through a series of weekly one-to-one sessions and is a way for children to discuss any obstacles to their learning and what they find most challenging. Pupil coaching aims to affirm what pupils are doing successfully in their learning and what their next steps are, giving them the confidence to make positive progress in their school life.

Sessions will take place weekly on a rolling rota so pupils' learning in the classroom is not impacted. The school will cover the cost of the sessions and so are free to take part in. Mel will be coming into school on Tuesdays, seeing each child for 30 minutes per week. If you would like to speak to Mel prior to sessions beginning please contact the school to arrange an appointment. If you would like this support for your child please fill in the consent form below and return to school.

Many thanks,
Mrs Smith
Deputy Head Teacher
