Wednesday 4th January

'Glorious Greeks' Hook Day- Friday 13th January

Dear Parents/ Carers,

To launch our *Glorious Greeks* topic this term, we will be inviting the children to participate in a variety of Greek inspired workshops.

On Friday 13th January, the children will become Master Historians. They will get the opportunity to design and make sculptures, learn about the history of gods and goddesses, create an authentic terracotta pot and taste authentic Greek food.

For this day, we ask that your child comes to school dressed as an Ancient Greek. A make-do toga formed from a white sheet will suffice for the occasion! Obviously, it will be January and the weather will not be as luxurious as in Ancient Greece, so please ensure your child is wearing suitable, warm clothing underneath their toga/ outfit. They may wish to be creative with their costumes, as we will be having a Greek fashion display of their outfits.

In order to reduce school costs and to make the activities possible, we are asking parents to provide a tablet of soap (plain) and a small terracotta pot. School will provide food and art materials for the day.

Please inform the school of any food allergies as soon as possible to ensure arrangements are made.

Yours sincerely
Mrs Smith and Mrs Groves
