13.9.18

Dear Parents,

Our Harvest celebrations will be taking place shortly and as a school we like to support the Harbour Place charity. To help this worthwhile charity, please send in either donations of food (fruit, veg, packets, tins etc.) or a financial donation by Monday 1st October.

The Harvest celebrations will take a slightly different format this year, with Seedlings having their own assembly with Rev. Stevens in school on 2nd October and KS1 children will be visiting St. Margaret's Church on 1st October for a special service there.

KS2 children will also be visiting St. Margaret's Church for their service on 1st October.

Many thanks for your support,

Mrs. Brady
