23/11/17

Dear Parents/Carers,

ICT in the Community - Thursday 30th November & 7th December - 3.30 - 4.30pm

We are currently running a series of workshops for local community members to come into school and work with the children in a range of exciting projects.

One such scheme is 'ICT in the Community' which gives children the opportunity to share their knowledge of computers with the wider community to help both children and adults improve their overall skills and abilities. Children will be working with local residents on topics such as internet searches, using Word and PowerPoints, downloading and editing pictures and much more. We have already done one session of this scheme and it was a great success.

Your child has expressed an interest in taking part in one of the next events. If you are happy for your child to take part please return the slip below by Tuesday 28th November.

Many thanks,

Mr Hawkins

ICT in the Community - Thursday 30th November and 7th December 2017

I give permission for my child to attend the ICT in the Community event (please tick which date/s):

Thursday 30th November 2017

Thursday 7th December 2017

Name of Child: _____

Name of Parent: _____

Signature: _____

Contact Number: _____

My child is allowed to walk home

My child will be collected
