You will be pleased to know that we have entered a team of Year 6 children to take part in the annual N.E. Lincs Primary Mathematics Challenge 2018.

Your child has been selected to represent the school in the above competition as they have very good maths skills and team spirit. This competition will take place at New Waltham Academy on Wednesday 6th June 2018.

Please could you arrange for your child to be at New Waltham Academy, no later than 4.15pm and if you would like to stay and watch the competition you will be more than welcome. It is anticipated to finish at around 5.30pm. If we are successful in this round then the final is planned for Wednesday 13th June 2018 at the same place.

If you have any problems regarding transport to and from the venue then please do not hesitate to contact me.
