Maths 1:1 Tuition Support

Dear Parents/Carers,

As part of the on-going teaching and learning in year 6, we offer 1:1 tuition, after-school to pupils who would benefit from focus support, in a small group setting. One- to-one tuition aims at supporting your child in areas of their learning that will enable them to make the expected progress. It also helps pupils improve on the areas they are finding difficult.

Mrs Smith and Mr Leach have been delivering these sessions over the years and those pupils who have received one-to-one tuition have shown that they:

- are more confident
- enjoy their learning journey
- know what to do when they are back in class
- improve their progress
- make the most of the opportunities they are given
- prepare them for the assessment tests in Y6

Your child has been selected for one-to-one Maths tuition for next term, once a week, 3:15-4:15 starting the week beginning 9th January 2017.

Please can you fill in the slip, giving your permission for your child to attend the one-to-one tuition, which days (if applicable) they can attend and also whether they will be collected or walk home on their own.

Yours sincerely
Mrs Smith
Year 6 Teacher and Maths Lead
