Dear Parents

At Stanford school we pride ourselves in listening to the pupil voice; we were asked by the children to organise a Minecraft club and as it was so successful we have decided to continue it this year. This term it is open to years 5 & 6.

Minecraft: Education Edition is an open-world game that promotes creativity, collaboration, and problem-solving in an immersive environment where the only limit is the children's imagination. This version of Minecraft is controlled by the teacher and within the game the children can work together to create a world for their characters. Unlike the home edition, there is no opportunity for the children to communicate with other players so they can build and work together in a safe virtual environment under adult supervision.

The club will start on Thursday 15th November from 3:15-4:15pm for 5 sessions ending on Thursday 13th December. A contribution of £3 per session will be requested to go towards the costs. If the provision of this contribution is a cause for concern, then please get in touch and you can discuss the matter in confidence with the school business manager Dawn King. There is only space for 15 pupils therefore places will be offered on a first come, first served basis.

If you are interested in taking part in this club please complete the slip below and return it to the office.

Yours sincerely

Miss A Perrin
Teacher

Year 5/6 Minecraft Club

I give permission for my child _____ Class: _____
to take part in the Year 5/6 Minecraft club and I include a contribution of £15.00 (if
paying by cheque please make payable to Stanford School).

Please delete as necessary

*I give permission for my child to walk home unsupervised

*I will collect my child from the club
