Dear Parents,

Re:- Year 6 Parents' SATs Meeting – Thursday 28th February 4:30-5.15pm

As mentioned in our newsletter, as the SATs are approaching, we felt it would be useful to hold a meeting in order to give further details and guidance to parents about these assessments.

There will be a short presentation during the meeting to outline the organisation of the tests and information packs will also be available to help/support your child in the upcoming tests.

We look forward to seeing you and if we can be of any further help, then please do not hesitate to contact us. The meeting will take place in Barley Class and refreshments will be available.

Please complete and return the slip informing us of your attendance. If you are unable to attend, a pack with all the information that will be shared at the meeting will be sent home with your child.

Many thanks,

Mr J Middleton, Mrs C Smith

SATs Parent Meeting
