SATs Tuition Support

Dear Parents/Carers,

As part of the on-going teaching and learning in Year 6, we offer additional tuition after-school to pupils who would benefit from focussed support, in a small group setting. This tuition aims at supporting your child in areas of their learning that will enable them to make improvements in the areas they are finding more challenging. We make the workshops as engaging as possible and pupils have enjoyed having this opportunity in previous years.

Staff have been delivering these sessions over the years and those pupils who have received one-to-one tuition have shown that they:

- are more confident
- enjoy their learning journey
- know what to do when they are back in class
- improve their progress
- make the most of the opportunities they are given
- prepare them for the assessment tests in Y6

Your child has been selected to attend sessions, after school on Monday, beginning Monday 1st October 2018.

Please can you fill in the slip, giving your permission for your child to attend the one-to-one tuition, which days (if applicable) they can attend and also whether they will be collected or walk home on their own.

Yours sincerely
Mr Middleton, Mrs Smith

To be returned by 28th September
