

Dear Parent/Guardian

Seekers is a Monday lunchtime club for years 3, 4, 5 and 6 that includes games, crafts and drama to explore different Bible stories. This year Seekers enters its 25th year and is still helping children to learn about those ancient stories that have been so influential in shaping history and the Christian faith.

Children in the club have their lunch at 12:00 noon and are then brought across to the Stanford Centre by a member of school staff who remains with them throughout the half hour session. Each term there is a different theme. Past themes have included Advent Angels, Paul's Travels, Mini Olympics, David - From Shepherd Boy to King and many more. In addition, every year there is a Christmas Party and usually an Easter Egg Hunt.

If your child would like to join Seekers they must have your consent.

If you are happy for your child to join, please sign and return the consent form to reception. If you would like further information please feel free to email Emma Maskell, who is one of the Seekers organisers on [elmaskell@outlook.com](mailto:elmaskell@outlook.com) and she will be happy to answer any questions you may have.
