19th October 2016

Come and join the fun in Foundation Stage!

We pride ourselves in having strong and positive links with families and the community at Stanford. We know you have enjoyed the Harvest Assembly and the Mentor Meetings this half term so we thought you would also like an invitation to an event early next half term too.

Please come and join the fun in Foundation Stage **on Tuesday 1st November 2016, from 8.55am to 9.45am**, to see how well the children are learning, the activities they enjoy and the fantastic way they have settled in. The wonderful Foundation Stage staff will be there to welcome you and we will also be offering refreshments.

Look forward to seeing you there!
